

Entrepreneurship Development Cell

Entrepreneur Development Cell

The Entrepreneurship Development Cell (EDC) of CIMAT, which is sponsored by the Department of Science and Technology (DST), Government of India, New Delhi, aims to promote and implement programmes for building curriculum and training personal and assisting trainers by exploring their entrepreneurial aptitude and apply their conceptual knowledge in developing business plans in entrepreneurial activities.

Entrepreneur Development Cell aims to create awareness of entrepreneurship among the students. And also, to develop the advanced skill of creativity and innovative thinking, and accept responsibilities to succeed in the challenging world to become employment creators rather than seekers.

Functions

- ✓ Organize entrepreneurship awareness camps, entrepreneurship development programs, and skill development programs.
- ✓ Arrange guest lectures to provide a platform for interaction between professional entrepreneurs and student entrepreneurs by successful entrepreneurs.
- ✓ Mentor student who has business ideas by placing them under the supervision of entrepreneurs under a mentorship scheme.
- ✓ Enhance industry institute interaction through guest lectures and industrial visits.
- ✓ Encourage entrepreneurship skills among the students to cope with the current market trends.

Entrepreneurship Development Cell

This institute established Entrepreneurship Development Cell in 2005, sponsored by the Department of Science and Technology, Government of India, New Delhi vide sanction order. 11/29/2004-NEB dated 05.07.2006. We have conducted **124** Entrepreneurship Awareness Camps for the development of the students' community in Tamilnadu.
